Mr. Larry Keyser
Brooks Tower Corporate and Vacation Condos
1020 15th. Street
Denver, Colorado

Dear Larry:

As the producer of American College of Osteopathic Family Physicians Convention March 9-16, 2008, our stay at your Brooks Tower Condo Suites in Denver, Colorado, just (2) blocks to the Colorado Convention Center, was an excellent experience and far more cost effective and comfortable than a hotel. I highly recommend it to all other Show Producers coming to Denver.

It would be a good idea for the Event Manager's at the Colorado Convention Center to let other Show Producers know about your Brooks Tower Condo/Suites.

Your two bedroom/two bath 29th floor condo was perfect. Spacious, luxury finishes, fully appointed kitchen, an incredible balcony and view of the Rocky Mountains. All the comforts of being home for 25-30% less than a hotel this is the only way to go.

Thanks again,

Chris Balak
